# Problem Statement

vs

## *Our Vision :*

Help women and girls by giving them education, skills, and community support to reduce gender inequality.

## *Our Mission :*

A world where women and girls have the same chance for education, fair jobs, and opportunities to succeed.

# Our Values

## Integrity

We act with honesty, transparency, and respect in everything we do

## Equality

We promote fair access to education and work for every individual, without discrimination.

## Education

We believe learning is the strongest tool for breaking cycles of inequality.

## Inclusion

We ensure that every voice is heard and every person feels valued.

## Collaboration

We build strong partnerships with communities, schools, and organizations to create lasting impact.

# Challenges

Securing enough  
funding and resources.

Raising awareness about  
the importance of gender  
equality.

Encouraging women and girls  
to participate.

# Target Group

Twinity empowers 21-year-old women from low to middle-income backgrounds who face barriers to education and employment. We reach them mainly through social media platforms like Instagram, Facebook, TikTok, and WhatsApp, as well as through workshops, mentorship programs, and community outreach initiatives.

HIM & HER

# Billboard

The billboard shows men running freely, but women must overcome barriers, highlighting inequality in opportunities between genders. It calls for action to remove these obstacles and support gender equality.

flyer

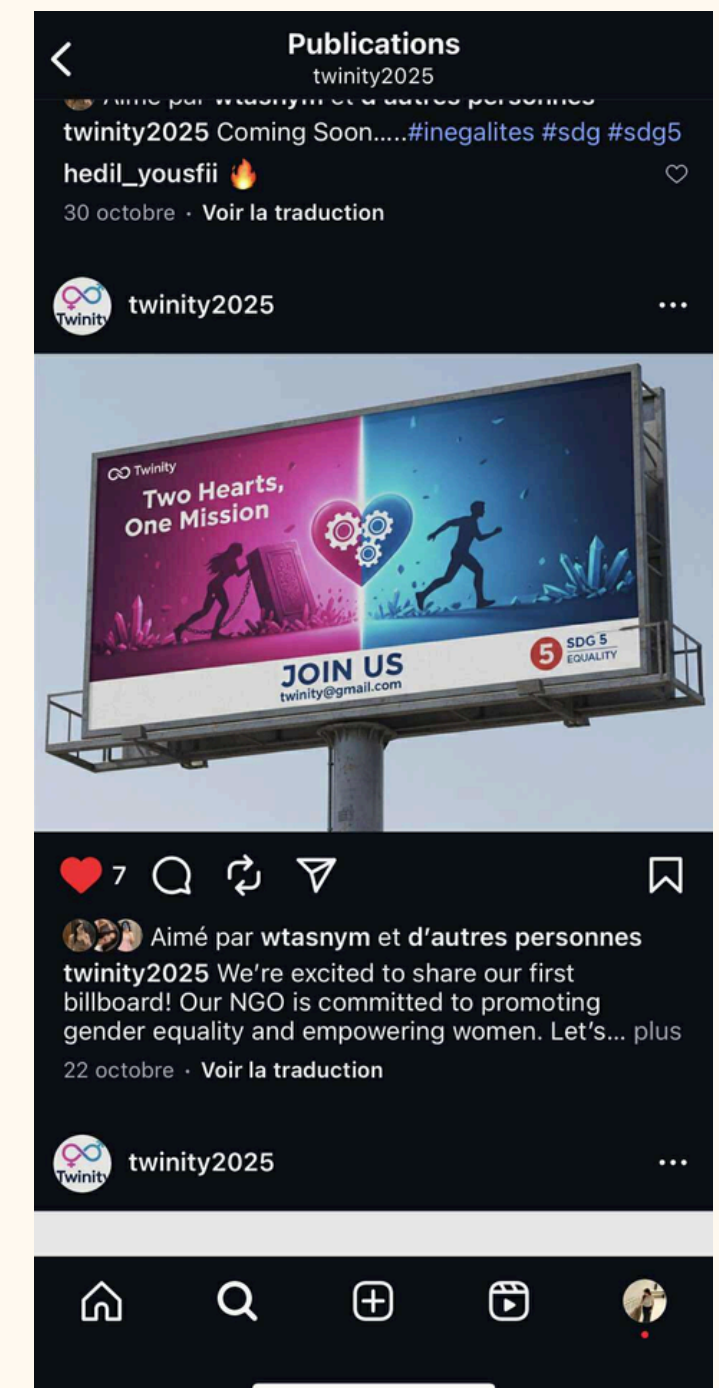

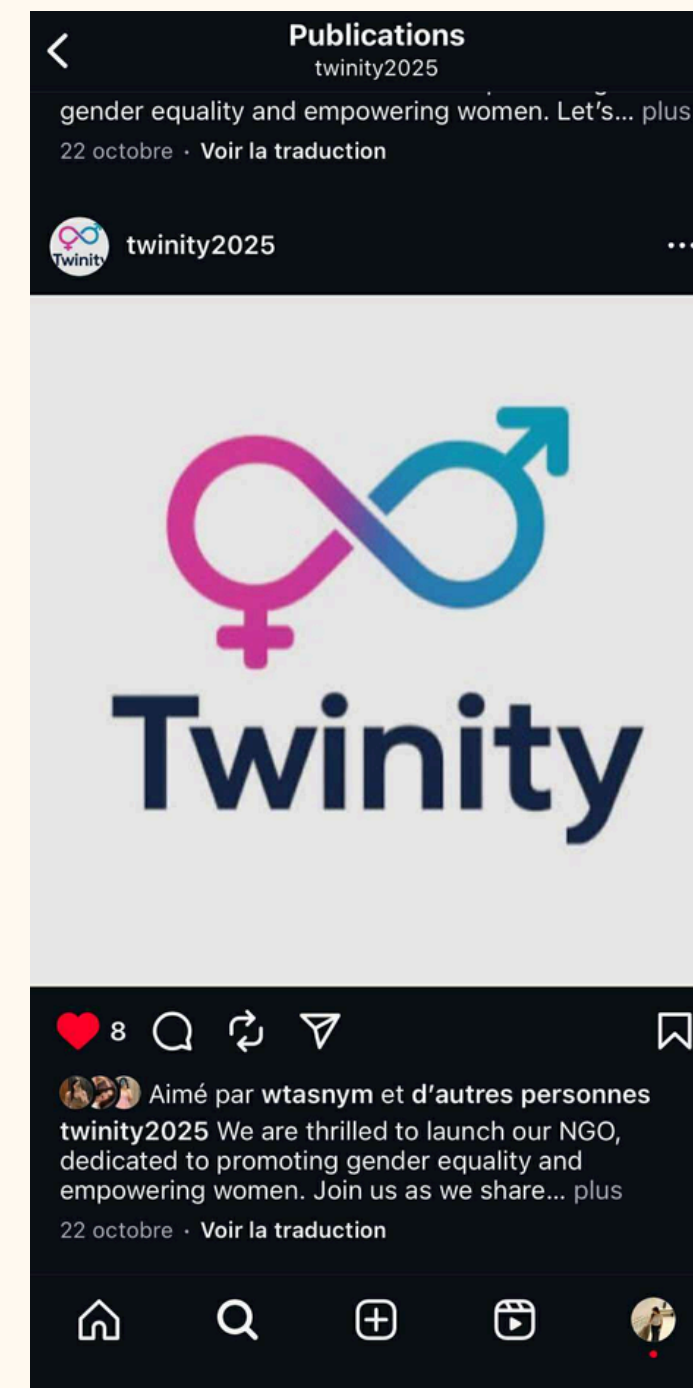

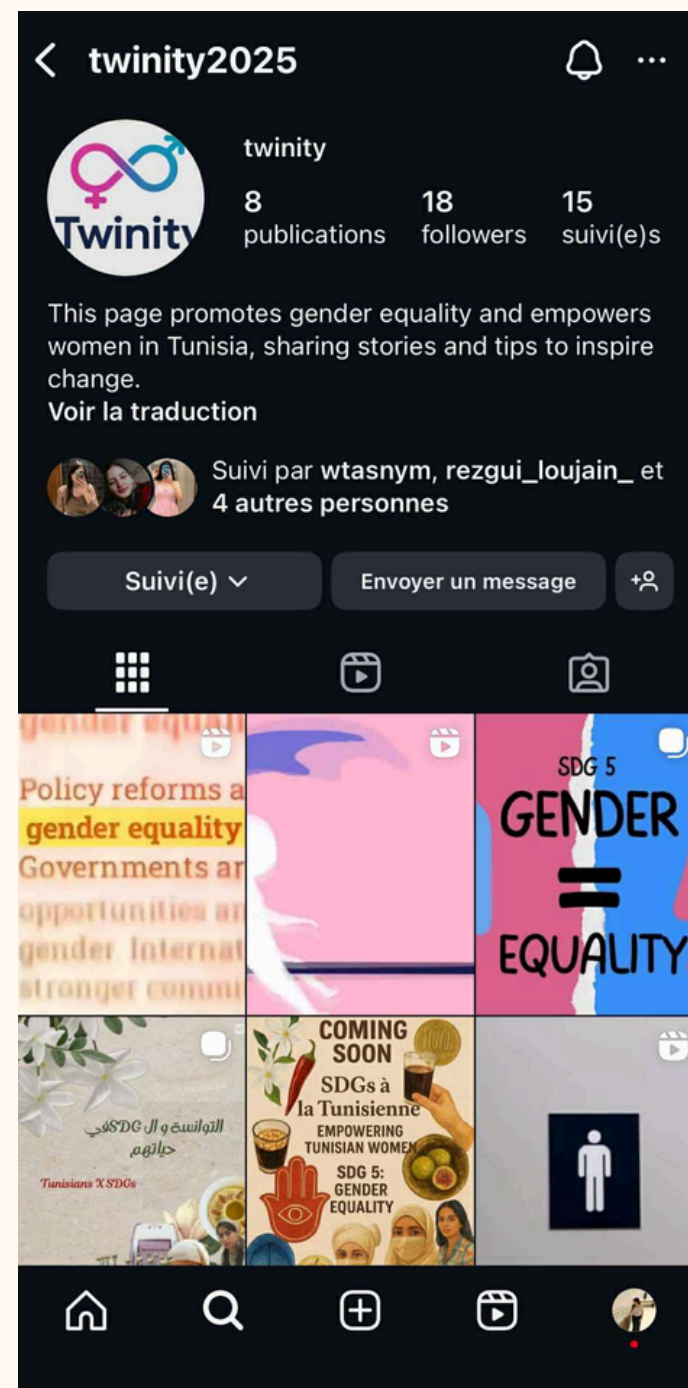

The flyer explains that Twinity is an NGO focused on breaking gender barriers through education, awareness, and leadership activities. It highlights upcoming events, main programs like women leadership and gender workshops, and shows ways people can get involved and contact the organization

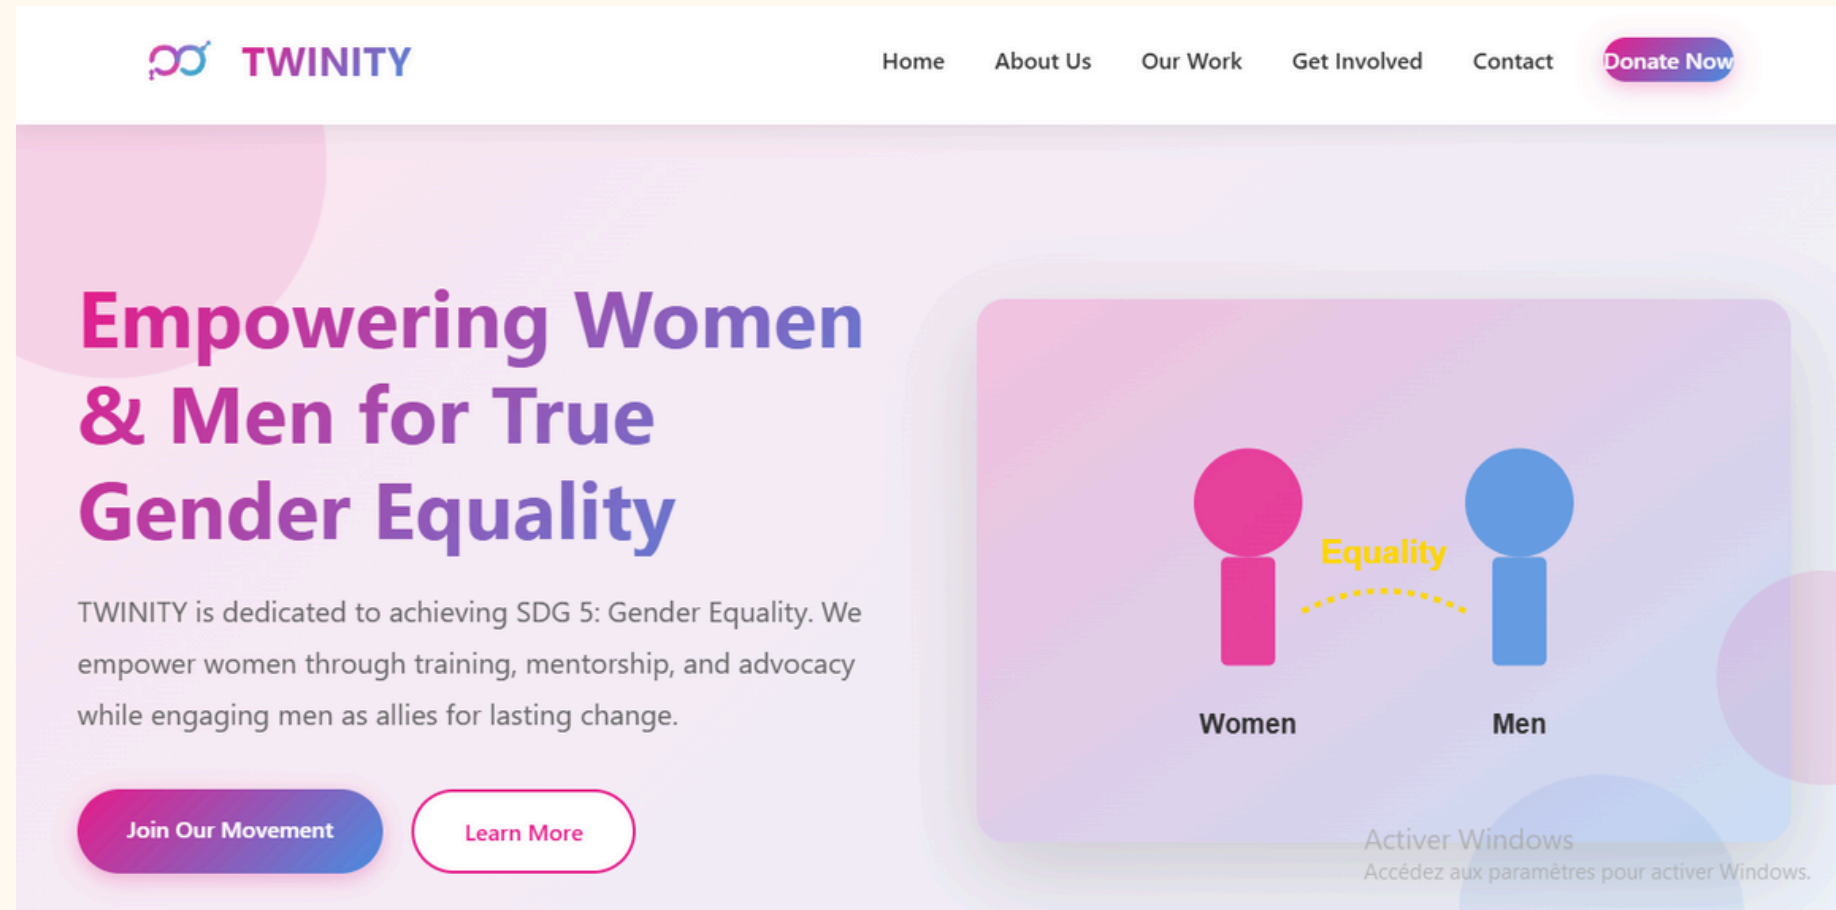

# Instagram Page

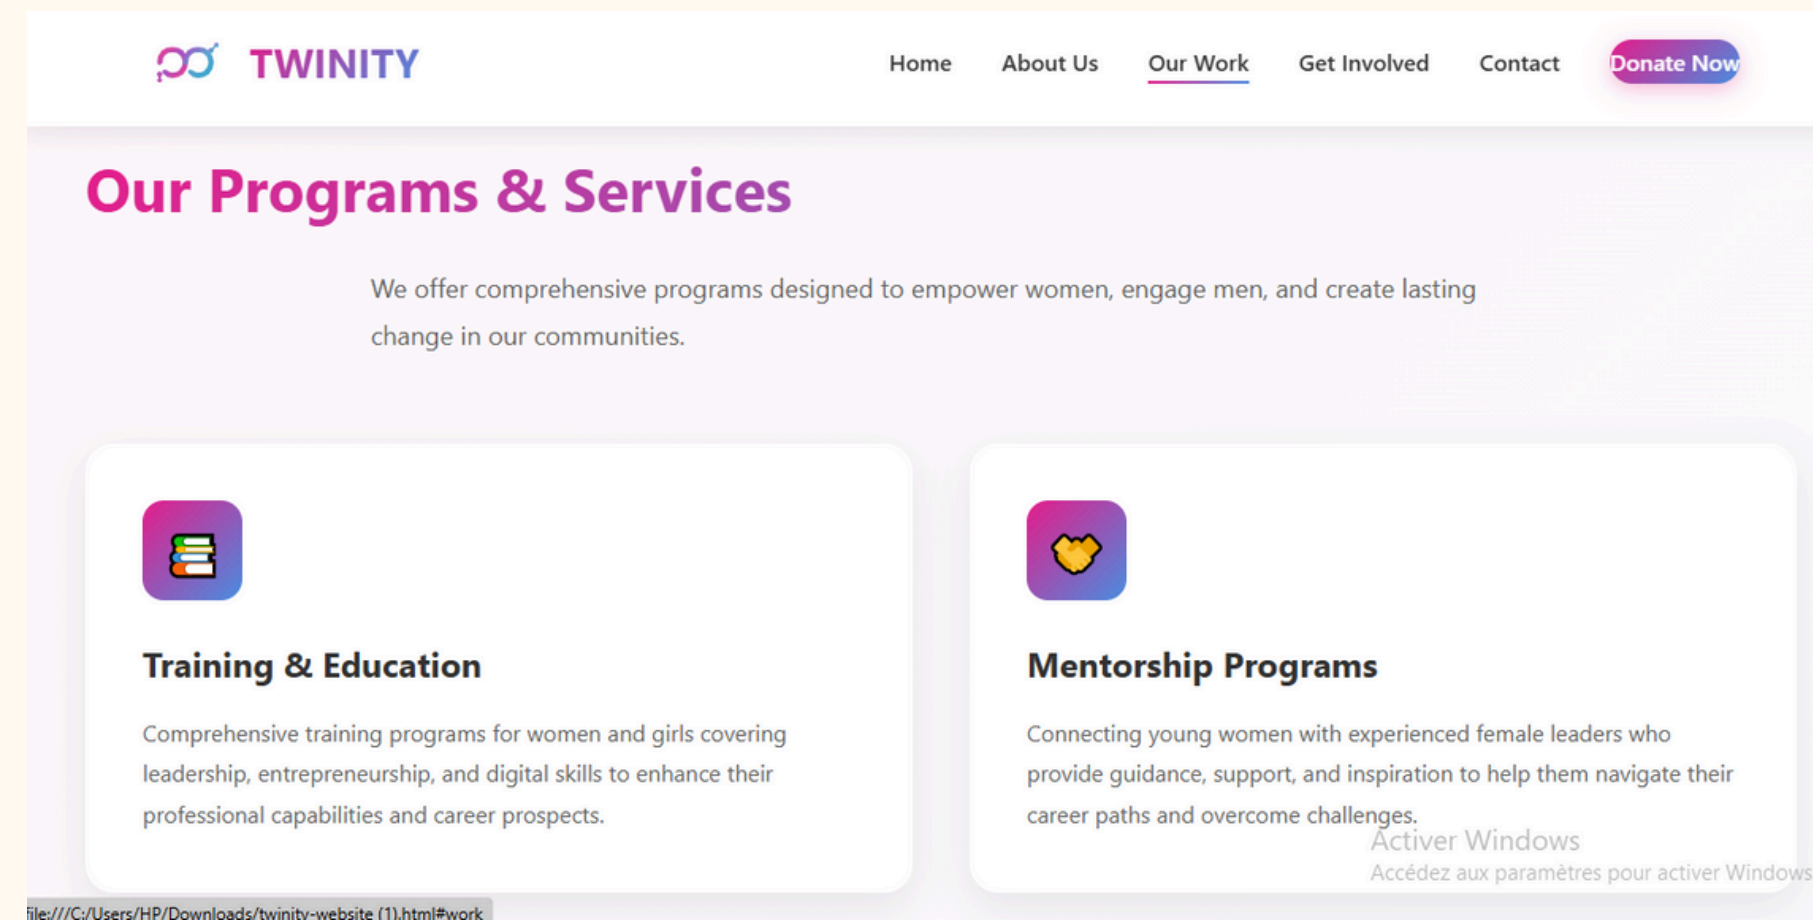

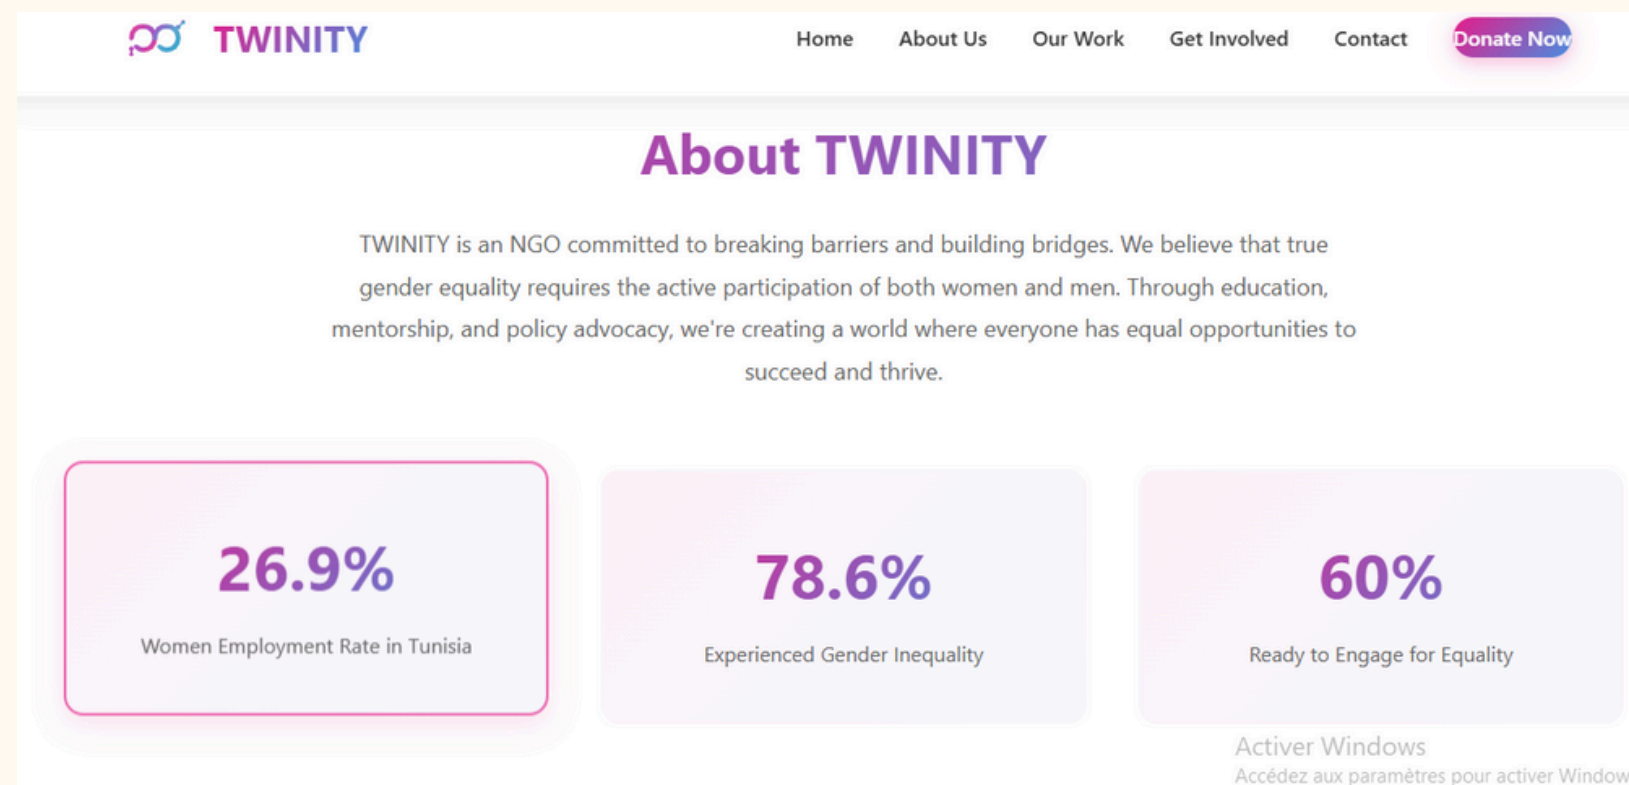

We have created an Instagram page called Twinity2025. This page features posts and videos that highlight our NGO and our commitment to SDG 5: Gender Equality.

# Website Page

We invite you to visit [Twinity.org](https://www.twinity.org) to explore our comprehensive service model and partnership opportunities."

# Radio Spot

**Close your eyes for a moment. Imagine a  
world where every single dream has  
room to grow**
